## Acknowledgments

As always, we are grateful for the leadership and enduring support of the Fraser Institute, especially its president Niels Veldhuis, executive vice-president Jason Clemens, and our long-time partner and friend Fred McMahon, who holds the Institute's Dr. Michael A. Walker Research Chair in Economic Freedom. Amberlea Schaab and Cheryl Rutledge have done a wonderful job with our new website. Without the assistance and guidance of both Michael Walker, co-founder of the Fraser Institute, and the late Milton Friedman, this project would never have gotten off of the ground.

The too-numerous-to-name members of the Economic Freedom Network again provided valuable support for this report. Our thanks also go to Kathy Makinen of Florida State University for research assistance.

We also thank the Charles Koch Foundation and Searle Freedom Trust for their financial support.

Finally, Jim, Bob, and Josh are delighted to welcome Ryan Murphy as a full co-author of this report.
